Chicagoans for Cincy!

Chicago and Cincinnati have had a symbiotic relationship since the 19th century, when each was a prominent city in America's rapidly growing Midwest. More recently, Chicago has sent a lot of students to the University of Cincinnati to get an excellent college education, and UC sends many students to Chicago as eager co-op workers and then talented young graduates.

For more than 200 years, we have determined our own destiny. Rising every day, seizing every moment, owning every opportunity. An insatiable drive sparking unstoppable momentum. And we are just getting started. So at the upcoming Chicagoans for Cincy! Celebration, we will recognize more than two centuries of excellence; pay tribute to the Chicago-Cincinnati connection; provide new support for scholarships; and unite a variety of alumni, students, donors and university leaders.

The premier UC alumni event held outside of Cincinnati each year, the 2022 Chicagoans for Cincy! Celebration will be Thursday, Feb. 24 at Venue West, located in Fulton Market. The event is presented by the UC Foundation, UC Alumni Association and Chicagoans for Cincy!, a group of dedicated UC alumni living in Chicagoland.

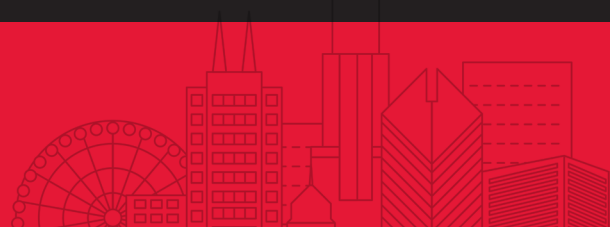

Chicago is home to nearly 5,000 Bearcat alumni who will be invited to this event. The University of Cincinnati Alumni Association, which hosts the Chicagoans for Cincy! Celebration registration web page, averages over 200,000 website views annually, and more than 2.7 million social media impressions each year via Facebook, Twitter, and Instagram.

It will be an unforgettable evening — and we invite you to be part of the festivities as a sponsor and guest. Our sponsors will receive special recognition at the event and in all promotional materials. Information is enclosed. We are also looking to secure donated items and experiences for our silent auction.
