## Sponsorship Opportunities

Please consider supporting the 9th annual Onyx & Ruby Gala, hosted by the University of Cincinnati African American Alumni Affiliate (4A). This black-tie optional event celebrates Black excellence by acknowledging the contributions of alumni, faculty/staff and students who have made significant contributions to UC and the community at large. In addition to recognizing our six honorees, the experience serves as the primary fundraiser for the Shani Scholarship, which supports underrepresented students in their pursuit of study abroad opportunities.
