UC College of Medicine graduates ready for commencement

### UC College of Medicine Honors Day

The University of Cincinnati College of Medicine awarded medical degrees to 185 students, the largest number of graduates in three decades, as part of the 201st commencement exercises, known as Honors Day. [READ MORE](#)

4 UC College of Medicine Drake Medal winners

### Four Drake Medals awarded at Honors Day

Two alumni and two current faculty members received Daniel Drake Medals, the highest honor awarded by the UC College of Medicine, at the school's Honors Day ceremonies on Saturday, May 18. The Drake Medal honors living alumni and faculty for outstanding achievements in biomedical science as evidenced by major significant contributions to medical research or for a distinguished career as a clinician-teacher. ### Second Look enjoys record numbers

The UC College of Medicine Office of Recruitment hosted the largest Second Look Program in UC CoM's history! As of early May, a whopping 78% of the 175 attendees who are accepted to our medical school had decided to choose Cincinnati for their medical education. [READ MORE](#)

### Laptops bring joy, spark learning for area schoolchildren

"A lot of our medical students have an interest in family medicine, and Med Mentors offers a really great opportunity to see firsthand some of the challenging realities families in some of our communities face," says Keith Stringer, MD, faculty advisor for Med Mentors. [READ MORE](#)

3 College of Medicine Distinguished Alumni Awards on a table

### Distinguished Alumni recipients for 2019 recognized

At an awards ceremony held in conjunction with Reunion Weekend each spring, the College of Medicine recognizes distinguished alumni who have demonstrated exceptional leadership in their careers.

Distinguished Alumni Award Recipients are:

- Bernard Bach, Jr. MD '79
- Captain Joel Roos, MD '89
- Margaret "Meg" Rush, MD '84

### Medical student launches LGBT health care publication

Haidn Foster, a second-year medical student at the University of Cincinnati, recently launched the online publication Pride in Practice to offer more comprehensive LGBT health care education for medical students, residents, physicians and other health care workers.

"I wanted to advance the state of LGBT health care education," explains Foster. [READ MORE](#)

'Stop the Bleed' kit

### 'Stop the Bleed' kits now at UC Health locations

As part of the Stop the Bleed program, bleeding control kits are being installed at UC Medical Center and other UC Health locations. So far, 100 kits, containing military grade tourniquets, gauze and vinyl gloves, have been installed at UC Medical Center. [READ MORE](#)
