Sponsorship Opportunities

One of the premier UC alumni events held outside of Cincinnati each year, the Chicagoans for Cincy! Celebration celebrates the many contributions and overall excellence of UC alumni in the Chicagoland area by honoring three outstanding Bearcats. This event also serves as the primary fundraiser for the Chicagoans for Cincy! Alumni Scholarship Fund, which supports an incoming, first-year student from the Chicagoland area attending the University of Cincinnati. We hope you'll join us and consider a sponsorship to help elevate this important event and benefit local recipients of the scholarship.
